HONORING THE 100TH ANNIVERSARY OF THE VILLAGE OF ORCHARD PARK, NEW YORK

HON. CHRIS JACOBS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. JACOBS of New York. Madam Speaker, I rise today to recognize the Village of Orchard Park, New York, on its centennial anniversary.

The Village of Orchard Park is a beautiful, tranquil village that lies in western New York, and I am honored to call it my home. The Village of Orchard Park was founded in 1921.

The area of present-day Orchard Park was historically referred to as an "uncultivated part of nature's garden" and was said to resemble a "park of orchards." The early pioneers of Orchard Park worked to transform a forest into the beautiful community it is today. They built residences, churches, and public places which remain important parts of the culture and values of today's Orchard Park.

Many great businesses and businesspeople have hailed from the Village of Orchard Park, including Harry Yates. Mr. Yates moved from Buffalo to Orchard Park and purchased multiple farms, including roughly 3,500 acres of land. Mr. Yates created and donated Green Lake to the Orchard Park community, which is still enjoyed today by residents and visitors. Mr. Yates also donated the land for the construction of two churches, Nativity of Our Lord Roman Catholic and St. John's Lutheran.

The Village of Orchard Park centennial celebrates the best of America. These communities are the incubators of local politics, commerce, education, recreation, entertainment, and faith for our village neighborhoods.

I am proud to congratulate the citizens of the Village of Orchard Park on their 100th anniversary. I believe that it is important to recognize their unique contribution to the development of western New York and wish them happiness and prosperity during the next 100 years.

CELEBRATING 100 YEARS OF FRIENDLY HOUSE AND 85 YEARS OF TAMALES DINNERS

HON. RUBEN GALLEG0

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. GALLEG0. Madam Speaker, I rise today in celebration of Friendly House, which turned 100 years old in 2020.

Friendly House first started in 1920 as part of a local initiative to help immigrants in Arizona obtain citizenship and adjust to the United States. Today, Friendly House's services have expanded to include youth and adult education, family and emergency services, and workforce development, while still maintaining their original commitment to providing immigration and citizenship services. For the past 100 years, Friendly House has advanced America's identity as a nation of opportunity by helping individuals and families fully participate in American life.

After being delayed by a year due to COVID-19, Friendly House will celebrate its 100th anniversary at its 85th signature Tamale Dinner on December 3. For many, tamales represent coming together with loved ones, especially around the holidays. Friendly House's annual Tamale Dinner has been bringing together the Phoenix community for over eight decades, making it the longest standing fundraiser in the State.

I would like to thank Friendly House for 100 years of service to the Phoenix community and wish them the best as they continue to grow their impact over the next 100 years.

Shortly after graduating law school, Ms. Riemer entered government service with the Department of the Navy. Since then, she has worked tirelessly to support our nation's warfighters through her work as an attorney for the Department of the Navy and the Defense Logistics Agency. After more than 35 years of dedicated public service and professional leadership in the Department of Defense, Ms.

HONORING THE SEMINOLE TRIBE OF FLORIDA FOR NATIONAL NATIVE AMERICAN HERITAGE MONTH

HON. DARREN SOTO

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. SOTO. Madam Speaker, Seminoles have called Florida home for thousands of years. Their ancestors met the Spanish when they touched down on Florida's shores in 1510 and created a refuge for those who sought to escape slavery and oppression. In 1830, when President Andrew Jackson broke the treaties he signed with native peoples and ordered those east of the Mississippi River be "removed" west, the Seminoles resisted and fought for their freedom alongside their neighbors. They kept their ways and traditions alive in the Everglades of Florida, where they remain free and unconquered to this day.

Facing the threat of the termination of services and Federal assistance in the 1950's the Seminole Tribe of Florida organized to develop a constitution, advanced through meetings under the old Council Oak Tree on the Hollywood Reservation. Federal recognition in 1957 reinforced the inherent sovereignty and necessitated a new form of self-governance for the newly organized Tribe. As more outsiders came to Florida, the Tribe adapted and developed new economic opportunities, including tourism enterprises and cattle operations.

Today, the Tribe counts over 4,000 members. They are a sovereign government, with their own schools, police, and courts. Members continue their traditions of sewing, patchwork, chickee building, and alligator wrestling but the Seminole Tribe also adapted to a changing world. Today, they run one of the largest cattle operations in the United States and own the Hard Rock Hotel & Casinos, an international business with locations in 74 countries.

The Seminole Tribe also gives back to its community and is actively helping to protect the Everglades they call home. The Seminole Tribe has been actively involved in the Ever-

glades restoration effort since its inception and has contributed significant resources to ensure that the overall restoration effort is successful, while protecting its sovereignty and unique way of life. For all this and more, we honor The Seminole Tribe of Florida for National Native American Heritage Month.

RECOGNIZING DU QUOIN HIGH SCHOOL'S FAMILY CAREER AND COMMUNITY LEADERS OF AMERICA (FCCLA) CLUB

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. BOST. Madam Speaker, I rise today to recognize Du Quoin High School's Family Career and Community Leaders of America (FCCLA) club for their generosity on World Kindness Day. After a good fundraising year, the students used their leftover club funds to purchase gift cards to distribute to community members outside their local grocery store. This act of kindness helped ensure that several local families were able to put food on the dinner table that evening. World Kindness Day is a wonderful opportunity to take a moment to give back to our communities. It serves as a reminder that even a gesture as simple as a smile or a helping hand can make someone's day. I am proud of each member and leader of Du Quoin High School's Family Career and Community Leaders of America club for their hard work and generosity during a time when many are struggling to make ends meet. On behalf of southern Illinois, thank you for giving back to our Du Quoin community.

IN MEMORY OF THE HONORABLE LARRY HOPKINS

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. BARR. Madam Speaker, I rise today to honor the life of a true American patriot, former Congressman Larry Hopkins, who served in this body from 1979-1993 and passed away on November 15. Throughout his extraordinary career in public service, Larry served in the Kentucky State legislature and for over a decade in Congress in the seat I now hold. Larry's career in public service began as a U.S. Marine in 1954. It was that love for the military that Larry would bring with him to Congress, where he rose to become the top Republican on the Armed Services Committee.

Larry's humor was famous with both his constituents and his colleagues—always offering a disarming joke to lighten the mood or evoking a good laugh. Above all, madam Speaker, Congressman Hopkins was proud of his work across the aisle and the relationships he had with all of his colleagues, Republicans and Democrats alike.

In these divided times, let us be inspired by the legacy of Congressman Hopkins to come together and solve the problems of our day, not as Republicans and Democrats, but as Americans who all love our country. On behalf

of a grateful nation, God bless Congressman Larry Hopkins. To my colleagues in the House, join me in praying for his wife, Carolyn, and three children, Shae, Tara, and Josh.

IN MEMORY OF LEO A. HUPPE

HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. PAPPAS. Madam Speaker, I rise today to honor Leo A. Huppe, a World War II hero and active member of the seacoast community who passed away in late October at the age of 96. Born on February 25, 1925, in Laconia and residing in Rochester for more than 75 years, Leo was a long-time New Hampshire resident and an honorable member of our community. At the time of his passing, Leo was a beloved husband, father, grandfather, great-grandfather, and great-great grandfather.

As a young patriot, Leo went above and beyond the call of duty in his service to his country. Among the many medals, ribbons, and badges he received for his heroic actions throughout World War II in the Asiatic Pacific, Leo was awarded the Silver Star and the World War II Victory Medal, as well as the Asiatic Pacific Theatre Medal and the Philippine Liberation Ribbon.

After his service, Leo worked diligently as a self-employed carpenter before entering a well-deserved retirement in 1987 with his wife, Evelyn, with whom he shared over 75 anniversaries before passing.

On behalf of my constituents in New Hampshire's First Congressional District, I share my condolences to Leo's daughter, four grandchildren, eight great-grandchild, and great-great grandson. As we recognize Mr. Huppe, I ask my colleagues in the House of Representatives to join me in honoring his rich life and legacy.
